

INDEPENDENT VERIFICATION

Your federal aid application (FAFSA) has been selected for a process called **verification**. This requires the Financial Aid and Billing Office to review and confirm certain information reported on your FAFSA. At this time, **please do not make any changes to your FAFSA** unless specifically advised by our office. Our staff will compare your FAFSA with the information provided on this worksheet and other required documents. If discrepancies are found, we may need to update your FAFSA accordingly. **Important Note:** Federal regulations authorize the Financial Aid Office to request this information before awarding any federal aid, including Federal Direct Student and Parent (PLUS) Loans (34 CFR, Part 668).

Please note: the verification process can take 3-6 weeks to complete, depending on when all required documentation is received.
