UNUSUAL ENROLLMENT HISTORY WAIVER REQUEST

Reason for this form:

The U.S. Department of Education flagged your 2024-25 FAFSA for Unusual Enrollment History because you received federal Pell Grant funds or federal Direct Loan funds at multiple educational institutions during the following review period: **2020-21, 2021-22, 2022-23** and **2023-24**. This flag requires our office to review your enrollment history to determine if you earned any credit(s) at each school where you received the federal Pell grant or Direct Loan funds. You can view your federal financial aid history at <https://studentaid.gov>.

Our office has reviewed your transcripts or grade reports from the institutions for the review period mentioned above and determined that you failed to earn any academic credits from one or more of the schools where you received federal Pell Grant and or federal Direct Loan funds. Students with unusual enrollment history are given an opportunity to explain why few or no academic credits were earned at the institutions where they have received Pell grants or Direct Loans in the past four academic years. Students with serious personal or academic reasons may submit a written explanation accompanied by supporting documentation to the financial aid office for consideration. Personal reasons may include death of an immediate family member (include their relationship to you), documented hospitalization or illness of self or immediate family member, family emergency, change in living situation (divorce), victim of crime or unexpected disaster, military obligations or other. Requests are evaluated on a case-by-case basis. Determination of Unusual Enrollment History appeals are final. Incomplete submissions will be denied.
